6) Click the “On” radio button.

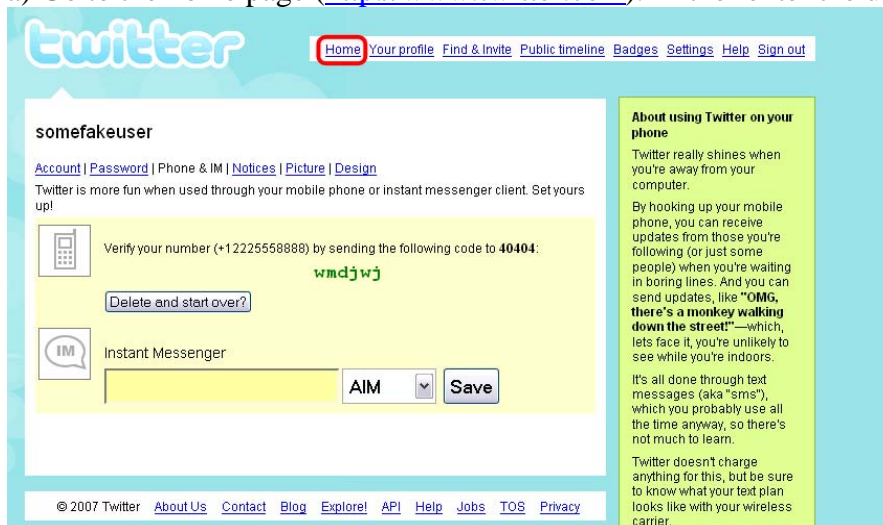

You're done!

*If you cannot click the “On” radio button, then you have not added your SMS mobile number. Click the “Activate” button to activate this option. Refer to the “How to Setup Twitter Account to Have Texts Sent to Phone” instructions on how to add your mobile number to the account so texts from your classes can be sent to you. If you have not done this, there is still one more thing to do.

➤ Once you have added your number, follow the steps below.

a) Go to the home page (<http://www.twitter.com>). Either enter the url or click “Home”.

b) Click “Following”.

The screenshot shows the Twitter homepage for a user named 'somefakeuser'. At the top, there is a text input field labeled 'What are you doing?' with a character count of 140. Below the input field is an 'Update' button. To the right of the input field are three tabs: 'Archive', 'Replies', and 'Recent'. Below the input field, there is a section titled 'What are we doing?' with a list of instructions: 'What to do now: 1. Tell us what **you're** doing in the box above 2. [Find some friends](#) and follow what **they're** doing 3. [Turn on your mobile phone](#) to update your friends on the go'. On the right side, there is a sidebar with a welcome message, a 'Cool new stuff' section with a link to 'Explore Twitter...', and a 'Currently:' section showing 'Following: 1', 'Followers: 0', 'Favorites: 0', 'Direct Messages: 0', and 'Updates: 0'. There is also a search bar and a 'Find folks!' button.
